COMMITTEE'S WELCOME

The 22nd Callington Show is shaping up to be another fantastic celebration of our community. The Callington Show Committee would like to warmly welcome you all to Callington. We guarantee you will enjoy the activities planned throughout the day!

This year, the Show is focused firmly on entertainment, with the return of the ever-popular amusements, line dancing, Show Day competitions and the Farmers Challenge. There will be plenty happening throughout the day to keep the whole family entertained.

The Ag Fair Oval will once again be a great feature of the Show, showcasing a wonderful range of farm animals and machinery and celebrating the agricultural heritage that is at the heart of the Callington Show.

We are also delighted to welcome the much-loved Australian entertainer Peter Combe, who will officially open this year's Show and add to what promises to be a memorable day.

We are incredibly grateful to Kantra Copper, our Diamond Sponsor, for their generous support of the Callington Show. We also extend our sincere thanks to all our sponsors, stallholders, exhibitors, performers, display personnel and volunteers whose contributions help make the Show possible.

The Committee would particularly like to acknowledge and thank our local councils for their ongoing support and assistance in helping this year's event go ahead. Their support is greatly appreciated and plays an important role in bringing the Show to our community.

The Callington Show, like all events of this size, requires a large number of volunteers and a committee with good organisational skills to plan, organise and run it. We would like to sincerely thank everyone who has been involved throughout the year and especially those working tirelessly behind the scenes and on Show Day.

Finally, we would like to thank all of you — our patrons — for coming along and supporting the Callington Show. Without the support of our community, exhibitors, volunteers, sponsors and visitors, the Show simply would not exist.

We hope you have a wonderful day, enjoy the entertainment, take in the displays, support our exhibitors and businesses, and make the most of everything the 22nd Callington Show has to offer.

Enjoy your day!

Advice from Judge: Some previous poems entered were stories written in lines to make them look like a poem. A poem does not have to rhyme but those entering should consider the use of imagery, rhythm and flow, which is very different to a story. A poem is a piece of writing that uses imaginative words to share ideas and emotions. If submitting a story, it should have original ideas, a theme, a beginning and end and grab the reader from the start.

Who we are

Kantara Copper (previously known as Hillgrove Resources) is a South Australian copper producer with its heart in the Adelaide Hills. Our operations at Kanmantoo, our people and our connection to the surrounding region are central to who we are, with a focus on safe, responsible operations and creating lasting value for the communities around us.

A new name for our next chapter

Hillgrove Resources Limited is now Kantara Copper Limited.

The change reflects who we are today and where we are heading. "Kantara" brings together "Kan" from Kanmantoo and "tra", inspired by terra, meaning earth. It connects our new identity to our heritage, the land and our copper focus, while giving us a name that looks confidently to the future.

Working with our community

Our connection to Kanmantoo and Callington extends well beyond our operations. We value open, constructive relationships with our neighbours and local communities and continue to support the region through local employment, partnerships, community involvement and long-term investment.

We continue to work closely with the Kanmantoo Callington Community Consultative Committee (KCCCC) to support open dialogue and lasting local benefits through the Master Plan pillars of Environment, Heritage, Arts & Culture, and Economic Development.
